5 Exploration Day

First charted in 1794, the waters of the Alexander Archipelago are frequent playgrounds of humpbacks and orcas, and the area's many nooks and coves make it good for you too – perhaps a chance to kayak, hike, or ride in the skiff. Have your camera at the ready, eyes on the horizon, and see what the day brings!

Breakfast, Lunch, Dinner

6 Tracy Arm Fjord

At Tracy Arm – the heart of the Tracy Arm-Fords Terror Wilderness and home to twin Sawyer Glaciers – cruise the length of this glacially-carved, jade-green fjord, tracing granite cliffs rising 4,000 feet above sea level. Surrounded by waterfalls, hop in the skiff for an up-close exploration of South Sawyer Glacier (conditions permitting). Keep watch for marine life, harbor seals, Arctic tern, and mountain goats.

7 Wrangell

Make your way to Wrangell, an area inhabited by the Tlingit people for thousands of years and the only town in Alaska to have been ruled by four nations – the Tlingit, Russia, England, and the United States. This afternoon, get set for adventure with a jet boat tour on the Stikine River, the fastest navigable free-flowing river in North America.

Breakfast, Lunch, Dinner

8 Eastern Baranof Island

Spend the morning cruising and whale watching before reaching the eastern shores of Baranof Island.
